

# AGM 2023 Tournament Report

We enjoyed a full calendar of events this year – some said at stages that it was a little too full.

Our 2-day country tournaments:

Bowral in February 6 & 7, Port Macquarie in February 27 & 28, Cootamundra in May 25 & 26, Muswellbrook in August 21 & 22 and Albury in October 17 & 18 were generally well attended and enjoyed by most.

Our 1-day, outer metropolitan tournament was at Wollongong this year and went off very well with 96 players. The weather was fine, the course in great condition and the lunch afterwards was most enjoyable.

For our Metropolitan tournaments at Bayview, The Coast, Long Reef, Marrickville, Beverley Park, Asquith, Bankstown, and Penrith (yet to be played) we had around 670 players attending. It is unfortunate that we still had to send out many emails reminding delegates to notify their members of the dates for these tournaments to get their entries in.

A plea to those thinking of playing in future tournaments, look on our website (google vwgansw and go to events or tournaments and you can find our programme and the available entry forms) then get your teams together early and enter early, we already saw Bowral close early for February 2023 oversubscribed. The 2024 draft program is available and entry forms will soon be available on our website. Our first country tournament next year is Tamworth, February 22 & 23 and the entry form is already on our website so get in quickly to avoid disappointment.

The Metropolitan Championships were held at Asquith this year and The State Foursome Championships were held at Bankstown, results in the table below. Congratulations to all those who competed, especially the winners.

The VWGA would like to thank all of the courses, where our tournaments were held this year, for letting us use your clubhouse and course and those who have offered them for next year. I hope you can appreciate that we try to share the venues around and enjoy playing at them in 2024.

I would like to thank all of the hard-working members of our committee for keeping things running smoothly throughout the year. Your assistance has been much appreciated.

*Jenni Brown*
